Subject: Re: Upcoming DC - Testjobs to be specified and documented
Posted by Kilian Schwarz on Tue, 15 Apr 2008 08:41:19 GMT

Hi all,

would it be possible to put, preferably to the Wiki, a list of testjobs which are to be submitted by the site admins for various purposes ?
So far only the urqmd testjob is well documented. About everything else the information is not so clear for my feeling.

Cheers,

Kilian
