Subject: Re: Forum settings Posted by Olaf Hartmann on Wed, 16 Apr 2008 13:08:41 GMT View Forum Message <> Reply to Message

ah I see ... well, I think it's intended like that: once a new topic in a subscribed forum appears, you should decide whether you want to follow it or not, i.e. subscribe this topic or not. So the question is how to automatically subscribe to any new topic which appears in a subscribed forum. I'll forward this problem to the admin.

Olaf.
