Hi Florian!

Thanks a lot for that message.

I had cmake version 2.4.3. and now, from the latest external package from 14.03.08 (fairsoft) I have 2.4.7 (not 2.4.8 as you claim)

<http://fairroot.gsi.de/installation/External%20Packages.htm>

Anyway, it seems to work, let's see tomorrow.

Ciao,
Ola.
