Let's meet on Monday 18th (10:30) in cafeteria.

Agenda:

1. ALICE data reconstruction strategy

- Where will be data reconstructed (CERN / Karlsruhe / ...)?

2. Data transfer procedure CERN -> Tier 1 -> GSI (CERN -> GSI)

- Will be allowed to copy data directly from CERN from 10th of September?

- What part of data will be transferred from CERN to Tier 1 (Karlsruhe)?

- What is procedure to transfer data from Karlsruhe to GSI?

3. First physics analysis at GSI

- batch performance

- proof performance

Best Regards,
Jacek
