Dear all,

there will be a PandaRoot EVO Meeting on TUESDAY, 23.09.2008

10:00-12:00

Audio testing from 09:30.

Agenda:

- 1.) New coordinators: implied changes and re-organization (maybe sub-coordinators?)
- 2.) PandaRoot 3.0

a major release containing the recent tracking and PID additions.
Discussion: what is still todo? What should be in, what not?

Hope to talk to you all.

Soeren & Johan
