Subject: Re: New Solenoid geometry Posted by Mohammad Al-Turany on Sun, 02 Nov 2008 10:34:05 GMT View Forum Message <> Reply to Message

Hi,

I still can not reproduce this!! at least on MAC! I also make the full geometry check for overlaps, extrusions (with 0.001) and the geantino transport, all seems ok!

So I have to repeat this on Linux, but this I can only do after ACAT.

regards

Mohammad
