Dear all,

Since there is a ACAT'08 workshop this week, I propose to move our next PandaRoot meeting a week later.

Would it be possible to have the next meeting on

Wednesday (!!!) the 12th from 10:00-12:00 in stead??
(Tuesday morning is really out of the question for me)

In case you have any objections, let me know or post a message!
The agenda will be posted prior to the meeting.

Kind wishes from Erice,

Johan
(ps. PandaRoot V3 will be released a week later as well on request of many of us)
