Subject: PandaRoot meeting, Wednesday 25th of February, 10:00, EVO
Posted by Johan Messchendorp on Tue, 24 Feb 2009 08:13:18 GMT

Dear all,

Tomorrow, we will have (hopefully) a short pandaroot meeting. See the subject header for the details. Tentative agenda points

1) General announcements

2) Framework renaming and re-organization... problems, goodies, and all that?!?

3) Preparations for the collaboration meeting next week

4) A.O.B.

Kind wishes,

Johan.
