Dear all,

I closed the poll, we had 18 votes.... enough statistics I would say. So, thanks to all who voted!
The outcome is (roffel roffel roffel)

YES: Wednesday, 10:00, e.g. we stick to the original day/time. Unfortunately, I could not make everyone happy: sorry Gianluigi, Ola, and Stefano. I understand from Stefano, that he could join the meetings at 11.15, though.

The next meeting will be held next week (see subject line). Tentative topics: Torino tutorial workshop, new release?!?, PID (after 11.15), and anything else you would like to see on the agenda!! More details later in the week!

Kind wishes,

Johan.
