Subject: Re: Adapter from Genfit to Pnd objects checked in Posted by Tobias Stockmanns on Fri, 05 Jun 2009 07:13:51 GMT View Forum Message <> Reply to Message

Hi Christian,

maybe this is a stupid question, but if you change PndTrackPar to pointers within PndTrack, then the data is no longer stored within PndTrack but only the position of the place where the data is stored.

Does this work with a TClonesArray? Do you have really access to the data, the pointers are pointing to?

Cheers,

Tobias
