Subject: Re: New External Packages July 09 Posted by donghee on Wed, 05 Aug 2009 10:08:07 GMT View Forum Message <> Reply to Message Dear stepano, I couldn't catch more detail error message due to automatical closing the login. cmake part has some problem in this case, trying OS version is the SLC4.4 Beryllium). I will try once again to get whole message with debug mode. Ciao.
