When trying to register as a new user in the test 2.6.6. installation one gets in the 'Required information' section section an new field:

It is not entirely obvious what to enter. Probably this is a somewhat ill-conveived method to avoid automatized registrations. If this feature can be disabled, please do so.

The screenshot shows a registration form with the following elements:

- A label "Name:" followed by a text input field.
- A label "Please enter the code shown below:" followed by a larger text input field.
- A captcha image showing a grid of characters. The visible text in the captcha is:
#####...##.#####.##...##.
##...##...##.##...##...##.
##...##...##.##...##...##.
#####...##.#####.##...##.
