Subject: MvdTrackCand missing?
Posted by StefanoSpataro on Tue, 29 May 2007 09:41:17 GMT

Hello,
it seems in the last svn update (791) the files MdvData/MdvTrackCand.* are missing, so it is not possible to compile mvd package (as already mentioned by Klaus in Hypernews).

Sorry for that. They are in now.

Ciao, Ralf.
