Dear all,

The collaboration meeting in December (10-14) is approaching fast. Therefore, I would like to set-up the program of the computing working group meeting on Monday, starting at 14:00 hours. Please send your contribution (speaker, title, requested timeslot) as soon as possible to me (or as reply to this forum). At the end of the week (30th), I want to finalise the program....

Kind wishes,

Johan.
