Subject: Code for APD Posted by StefanoSpataro on Tue, 08 Apr 2008 09:46:00 GMT View Forum Message <> Reply to Message

Dear all,

I have added to the repository (v2438) some classes for studies on APD.

The geometry file is geometry/apd_module12.dat, with the APDs for the barrel. Under macro/emc you can find the following macros to see how it works:

sim_emc_apd.C hit_emc_apd.C reco_apd.C

Enjoy the analysis!
