Dear all,

The next collaboration meeting is coming up soon, this time in the beautiful Ferrara. Following the tradition, on Monday the 8th of September there will be a computing parallel session starting at 14:00 hours. You can guess my question by now:

contributions, contributions, contributions!!!!

So, please give me a title of your talk with an estimate of the time slot you need asap, but not later than 3rd of September.

Kind wishes and looking forward seeing you in Ferrara,

Johan.

Hi all,

The number of contributions so far is very poor. So, it is still open for contributions!

On the Wiki site, I will keep on update of the program....

http://panda-wiki.gsi.de/cgi-bin/view/Computing/PandaRootCollMeeting

..more to be discussed tomorrow in the PandaRoot EVO meeting...

Kind wishes,

Johan

Dear all,

The agenda of the computing session on the collaboration meeting can be found on

http://panda-wiki.gsi.de/cgi-bin/view/Computing/PandaRootCollMeeting

Note that after the break, Stefano will give a tutorial as was discussed during the last PandaRoot meeting.

For those who give a presentation, please upload your talk on the following site:

http://panda-wiki.gsi.de/cgi-bin/view/Computing/PresentationsCMSep2008

Looking forward seeing you in Ferrara,

Johan
