Subject: Contributions for Collaboration Meeting in March Posted by Johan Messchendorp on Wed, 18 Feb 2009 21:35:59 GMT View Forum Message <> Reply to Message

Dear all,

The collaboration meeting is approaching! As usual, there will be a computing session on Monday afternoon from 14:00-18:30 in the auditorium. Contributions are welcome! Just inform me, or send a message to the forum. Whatever you prefer. I will make an agenda for the computing session during the weekend, so please inform me asap!

Also note that on Thursday there will be a "tracking" working session!!!

Kind wishes and hope to hear from you soon,

Johan.

Hi,

I would like to give a short report on lhetrack tracking. Something like: "LHETRACK Status Report". Maybe 10 minutes could be enough, + discussion.

Hello,

I would like to present a short report about the "GEM detector status". It will take me about 10 minutes. thanks, radek

Hi Johan,

I would like to speak about

'Progress in the pattern recognition with the straw tubes alone'

20 min should be enough, thanks

Dear all,

The preliminary program for the computing session can be found on the Wiki site

http://panda-wiki.gsi.de/cgi-bin/view/Computing/PandaRootCollMeeting

I will also try to upload it to Indico (once I figure out how to work with it)....

Kind wishes,

Johan.
