Subject: tracking software working session, tomorrow @9:00 Posted by Johan Messchendorp on Wed, 04 Mar 2009 15:12:39 GMT View Forum Message <> Reply to Message

Dear all,

As a reminder. We will have a tracking software working session tomorrow morning (Thursday, the 5th of March) starting at 9:00 in the side room of the auditorium in parallel with the coordination board meeting. The intention of the session is to derive a solution for the present global tracking challenges in the software which we are facing now.

Kind wishes,

Johan.
