Dear all,

The collaboration meeting is approaching! As usual, there will be a computing session on Monday afternoon from 14:00 on. Contributions are welcome! Just inform me, or send a message to the forum. Whatever you prefer. I will make an agenda for the computing session during the weekend, so please inform me asap!

Also note that on Thursday/Friday there will be tutorial sessions for starters and developers.

Kind wishes and hope to hear from you soon,

Johan.

Hi Johann,

I would like to have 20+5 min for "Event Deconvolution in the TPC".

Thanks, Christian

Dear Johan,

I'd like to talk 25+5 minutes about general progress of the PANDA TPC simulation

See you in Torino!

Felix

Dear all,

A preliminary program for the computing session for Monday the 15th of June can be found on Indico:

<https://indico.gsi.de/conferenceDisplay.py?confId=580>

Kind wishes,

Johan
