Dear colleagues,

As pointed out at the technical board in Juelich, people who contribute with technical drawings and documents should get an EDMS account. Please, if you think you need such an account, let me now by this forum or send me an mail.

Best regards

Carsten

PS: EDMS = Electronic Document Management System

Dear Carsten,

we would like to have account to post all our ACAD drawings provided by Dima Malkevich and also PCB in OrCAD.

Like it was done in ALICE.

Best regards Sasha Akindinov
