Hi everybody

I switched of the old web server hosting the information from the RuleChecker. All information from this year was moved to a new web server. The link from the DashBoard is already updated. Please update also your bookmarks if you have any.

The new location for the results of the RuleChecker is

<http://fairroot.gsi.de/RuleChecker/CbmRoot/violations.html>

If you need some information of the years before 2010 please let me know otherwise i will delete the files end of next week.

Ciao

Florian
