Dear colleagues,

I cannot stop my submit job.  
Job <110615> dkang  
Job <110697> dkang  
Two jobs are still running during last few days.

```
bkill -s 9 110615  
bkill -r
```

dosen't help!  
Where do I have to inform?

Thank you!  
Donghee

Dear Donghee,

Please post your messages on another forum. This is more related to the GSI computing infrastructure and not pandaroot.

Greets,

Johan
