Hi all and especially Tobias,
With the latest update by Tobias PndSdsDigiPixel.h (rev.12343)
the trunk of pandaroot crushes in

```
Scanning dependencies of target Mvd
[ 54%] Building CXX object mvd/CMakeFiles/Mvd.dir/MvdTools/PndMvdContFact.cxx.o

Dear all,

the problem is fixed. I forgot to include the MVD folder in the commit.

Cheers,

Tobias
