Dear all,
the next collaboration meeting is approaching. We would like to know if you intend to have a presentation during the computing parallel session.

According to the number of talks we can decide the amount of time to request (2 hours, 4 hours, no session), then please answer as soon as possible. You can post in the forum, in facebook, or send a private mail to Stefano or Tobias.

As a first call I would like to put the deadline on next Friday (8th February), in order to understand if there are enough contributions to have a session or not.

The Computing Coordinators
