Subject: [INFO] RHO Update done
Posted by Ralf Kliemt on Mon, 06 May 2013 14:51:38 GMT

Hello fellow Panda developers.

I sent the massive update on the AnalysisTools and Rho to the trunk. I took as much care as I could, so I can tell you it compiles on a fresh checkout on my machine. Please give it a try (use a separate folder for you own development's security) and drop a note here.
I highly recommend to check your part of the code. I did not modify all the macros. This should be done by the users.

Documentation is on its way the next days.

Cheers
Ralf
