Dear all,

if you are planning to present a contribution for the computing sessions at the next Collaboration Meeting, please let me know as soon as possible, writing the title of the talk and the requested time.

At present we foresee two computing sessions.

Cheers,

Tobias

Hallo,

if possible I want to give short presentation of this event sorting/finding algorithm

title: Eventsorting with TOF counters
requested time: 20 min

Dominik

Hi Tobias,

I would like to summarize my recent work on covariance matrix in the computing session.
Please put me on your list.
Title: Status of Covariance Matrix Checking
Time: 15+5 min

Thx!
Lu

Hi,

sorry I'm somewhat late, but I would also like to give a talk.

Title: Particle Identification in p pbar -> Xi Xibar

Time: about 20 min

Thanks

Christian

Hi Christian,

I have added your contribution to the agenda.

Cheers,

Tobias
