Thanks for pointing it out. This is why one should not use copy and paste

So at least one figured out the mistake.

Cheers,

Tobias

Dear all,

I am very soory but I was so bussy to install the git repository of PandaRoot that I missed the date.

Due to vacation time we will have our next meeting on August 28th.
I will send around a reminder in the week before.

I wish you all a nice summer time,

Tobias
