Dear all,

Our next collaboration meeting is approaching. There will be a computing session on Monday the 17th of September in the afternoon. To set-up the program, I would like to ask you to come up with contributions. Please inform me asap.....

Kind wishes,

Johan.

Hi Johan,

unfortunately I won't be at the next coll. meeting. I cannot attend the computing session and the PID workshop, because I will be at the Erice School in Sicily in the same time...

All the best,

Annalisa

Hi Johan, i will contribute
by giving some status report of the hypernuclei
detectors.

best regards
alicia.

Hi,
from my side I would like to give two contributions:

- A) News on transport models (10 minutes included discussions)
- B) First tracking in the forward spectrometer (20 minutes included discussions)

Bye

Dear all,

The program of the computing session for the GSI collaboration meeting (Monday afternoon) can be found on our Wiki site, namely:

<http://panda-wiki.gsi.de/cgi-bin/view/Computing/PandaRootCollMeeting>

If you foresee any problem concerning the program, please let me know. Furthermore, I would kindly like to ask the speakers to upload their slides prior to the meeting to this Wiki site

<http://panda-wiki.gsi.de/cgi-bin/view/Computing/PresentationsCMSept2007>

Kind wishes and see you next week,

Johan.
