Dear all,

could you please check your calendars if we would be able to have the next PandaRoot EVO meeting on Wednesday Nov 28, but at a _different_ time?

10:00-12:00

(we will be in China on a Bes/Belle meeting, +7 hours time difference).

Thanks in advance

Soeren

Hi all, at that time I will be at Slac, so I think it's quite difficult to come to an agreement. So I cannot participate...

Ciao
