Sorry for the delay: On Friday an error occurred while posting the message to the forum, and I did not notice that.

Preliminary agenda:
==========

1. Discussion about the organization of our
- mass storage and data for fast analysis
- AliEn storage elements / xrootd clusters
- proof nodes
etc. Silvia will prepare some ideas to trigger the discussion.
Please, also bring ideas and input.

2. Status of the data trasfers

Subject: slides to guide the discussion
