Dear all,

Next Tuesday will have our regular PandaRoot meeting @ 10:00, EVO, usual place and time...

The main theme will be "data management". Tentative agenda points

1) General announcements

2) Production management tools

- presentation by Marc on production tools for physics book simulations
- production management tools and PandaGrid?
- ...

3) Data levels and data sizes

- present situation?
- what do we need for which purpose?
- which part of the detector data do we need to store?
- how to setup the different data levels?
- how to make the data slimmer?
- ...

4) A.O.B.

- proposal topic next meeting: global tracking?
- pandaroot logo
- different day of the week for next meeting?
- ...

Hear you then,

Johan.

Hi,

add a .pdf at the end.

Cheers,
Klaus
