Dear Colleagues,

What is the unit of vertex position in Box Generator?

```
FairBoxGenerator* boxGen = new FairBoxGenerator(22, 1);  
boxGen->SetXYZ(0., 0., 0); // vertex coordinates [mm]
```

One of example macro shows that vertex coordinates are presentde with [mm].
Is it true?

Best wishes,
Donghee

If I remember well it should be cm. You can easily try and check.
