Dear all,

Time is going fast, and its only two weeks before the next collaboration meeting at GSI. With this forum message, I would like to ask input for contributions for the computing session which will be held on Thursday the 2nd of December in the afternoon starting at 14:00 hours. So please, inform me if you would like to give a contribution by giving me a preliminary title and time-slot needed.

Kind wishes,

Johan.
