Dear all,	
An important message from Dan In short: the grid will not be available from the 5th August till the 10th of August.	of
Greets,	
Johan.	
Dear Griders,	
Soon we will have at our department major electrical power works to replace a faulty underground cable. They will turn the power off at noon Aug 7 and bring it back on Aug I will switch off all computers before weekend (i.e. on Friday August 5) and bring them sooner than Wednesday evening (August 10).	_
Sorry for the inconvenience, but this work was long due here.	
Cheers, Dan
