Dear all,

on tuesday next week (11.10.2011), there will be an EVO meeting at 10h30 (Central European Summer Time). This meeting is focussed on the joint PWA activities between PANDA and BES. The major topic is therefore a discussion on how to make use of GENEVA on GPU based PWA applications. If you are insterested in this discussion you are very welcome to attend this meeting. Please make sure that EVO is working properly on your machine and test it beforehand. The relevant booking information can be found below.

With kind regards,
Bertram.
