Hi,

I was downloading some papers from following link but it shows authentication pop-up.
Can any one tell me which user id should enter for authentication.
(since I just have forum ID & Twiki userId, I think it must be some other ?)

<http://www-panda.gsi.de/framework/docsearch.php?subject=&papers=on>

thanks in advance..

This username and password cannot be provided by this community neither be put in a public place such as this forum.

The member of the Collaboration Board of your institute should know it, or ask for it to the Panda bosses...

Dear Stefano,

Thank you, I will ask to my colleagues from collaboration group.
