---

Dear all,  
next SeeVogh meeting will be on Tuesday 26th February at 10AM (please note the different time).

Preliminary agenda:

- a) General items (Goa agenda, new release, workshops,??)
- b) Open bugs&forum problems
- c) Status report from detector coordinators (Tobias - MVD)
- d) STT tracking performances (Susanna)
- e) A.O.B.

There is still time for additional presentations, then if you plan to show some results please tell us.

This is the link where the minutes will be placed, and where to store your material.

H Stephano,

I would like to have some time  
to present results concerning the tracking  
of low momentum pions with geane.

best regards

alicia.
