Dear PANDA TOF group,

this email is to bring the upcoming PANDA meeting to your attention.

The major fraction of people who normally contribute to the TOF meeting attends the DIRC2013 in Rauischolzhausen one week before the CM. Therefore, also the Cherenkov group meeting will be held at the DIRC2013.

Therefor I propose to have a pure SeeVough in the week of the collaboration meeting at Thursday, September 12th, 9:00-10:45h.

Please let me know about the title of your contribution and the time needed for it at your earliest convenience, so that I can construct and post the agenda soon.

The date and time is tentatively depending on your urgent needs. A second mail with contact information will follow.

Best regards
Carsten
