Hi All,

There is one of my friend Ajay Kumar he has problem in opening the forum and some other links in India.

PANDA home page is opening well but when I am going for PANDA Forum it is just circulating nothing is opening here:
AJAY KUMAR

Thank you

The following GSI websites are down, svn subversion forum and wiki. Only people at GSI are allowed to access to such sites, for the moment. All the others have to wait that everything is fixed.

It seems now that the forum is again accessible.
