Dear all,

Next PandaRoot SeeVogh is scheduled for Monday 24th March, 10:00 AM CET.

Susanna will show the tracking results for different particle kinds, and after we will focus on the fast simulation and on the software campaign to explore different reduced setup scenarios.

I am not sure whether I will be able to join the meeting as I have to supervise an experiment from 8:00 - 18:00, but I will try to listen in as much as I can.
