Dear all,

in the last few hours, when I try to login to GRID, I have this error message:

[fioravanti@panda1 ~]$ alien login

Error getting the configuration for the organisation from host=lxpandagrid03.gsi.de:8389 and dn=o=panda,dc=gla,dc=ac,dc=uk
Use of uninitialized value in concatenation (.) or string at /home/fioravanti/alien.v2-20.81/lib/perl5/site_perl/5.10.1/AliEn/Catalog ue/Basic.pm line 154.
