Dear PandaRooters,

the next collaboration meeting is comming. The computing session will be on Wednesday, June 7th, in the morning.

Please post your presentation request into the forum till May 26th.

Cheers,

Tobias

Hi Tobias,

I would like to present some results of the cluster finding algorithms. I would be good to have some feedback on that, and you will see the latest developments. This will, however, probably be my last collaboration meeting. I guess you want to know the title of the talk. It will be something like "The Latest Developments on the Online Cluster Finding Algorithms".

Marcel

The agenda is now online. Please have a look at the indico page.
Please send me the title of your presentation if you have not done so already.

Cheers,

Tobias
