I'm posting this message for Merlin.

A draft for the NDIP conference proceedings for our contribution about the PANDA BTOF, presented by Merlin, is there for your review.
Please send back your feedback here.

Best,
Ken

some minor comments:

[36] not sure yet if they are completely independent. maybe skip "idependent"
[39] maybe beamline sounds better than beam pipe.
[42] on each supermodule, not supermodules. same in line [46]: each short end of the scintillator 4 ...

best, Nico

Hallo Merlin

Meine Korrekturen sind im Anhang die geschlängelten Linien und die roten Linien die Worte durchstreichen. Dominiks Korrekturen sind auch dabei als Kommentare und gelbe Markierungen.
